Instructor Excellence Award Winners

Instructor Excellence Award

The Instructor Excellence Award recognizes outstanding CCSIs from each region who aspire to be the best in their field of technical expertise.

The 2015 award winners exemplified the highest quality training experience and demonstrated best overall performance as measured by the student satisfaction surveys for FY2014. These elite instructors are in the top 25% of CCSIs and are being recognized for delivering remarkable customer experience in each technology.

Congratulations to these CCSIs.
